

General Information:

1. Attach photographs as per specifications mentioned in the box above and to the left. (Please write name and date of birth behind photograph in DD-MMM-YYYY format) using a non-smudging pen. Please write in BLOCK CAPITAL letters.
2. The photographs must be clear, well defined and taken against a plain light-blue background. (single tone background only)
3. Your face must be directly square to the camera, with a smiling expression. (A display of teeth would be necessary, do not raise eyebrows)
4. If you wear contact lenses or prescription glasses, please wear them when taking your picture. (Coloured lenses are not acceptable; eyes should be visible when wearing prescription glasses.)
5. Arms and feet to be relaxed in a straight position. (Arms to be open and relaxed, not fisted)
6. Ears must be visible. (Hair should not cover the ears)
7. Adequate background lightening with no shadows or blurs.
8. Photographs must be identical and taken within the last six months.
9. Photographs must not be digitally altered in any way.
10. If the photographs do not meet the specifications, you will be required to provide new photographs before your application can be processed.
